

RSCA

Roofing & Siding Contractors Alliance, Inc.

Since 1993, RSCA has been awarding scholarships to students pursuing degrees in higher education. This has become the RSCA Scholarship Fund. And since then, RSCA is proud to have presented more than \$100,000 in educational funding to college students.

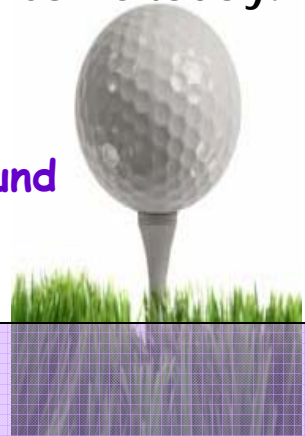

The Annual **RSCA Open** Scholarship Golf Tournament provides the majority of fund raising that supports our educational programs. All the proceeds from the tournament benefit the Fund.

Participation in the **RSCA Open** Scholarship Golf Tournament allows you to be a part of the important work being done in St. Louis to promote higher education to our area youth. It also allows you to witness the work being done by the St. Louis chapter of RSCA in the areas of supporting career education and ...

.....the golf tournament provides a fun-filled day in the sun and the opportunity to network with other members of RSCA.
